HAZARDOUS MATERIALS

This lifeline component includes facilities that handle hazardous materials.

ER Facility Response Plan

This dataset represents integrated facility information from FRS, limited to the subset of facilities that link to the Comprehensive Environmental Response, Compensation, and Liability Information System (CERCLIS) non-NPL sites.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)

Emergency Response (ER) Risk Management Plan Facilities

This dataset contains location and facility identification information from EPA's Facility Registry System (FRS) for the subset of facilities that link to the Risk Management Plan (RMP) database.

Data Source Organization: EPA
