SAFETY AND SECURITY

This lifeline component includes the state's most essential services, including law enforcement, state legislature and agencies, and educational institutions.

Courthouses

This dataset contains point features representing certain types of courthouse buildings in all 50 U.S. states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. The courthouses represented in this dataset include county courthouses, state supreme courthouses, and the Supreme Court of the United States.

Data Source Organization: U.S. Geological Survey
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::courthouses/about
Last Updated: 9/20/19

Child Care Center

This feature class/shapefile contains locations of child day care centers for the 50 states of the USA, Washington D.C., and Puerto Rico. The dataset only includes center based child day care locations (including those located at schools and religious institutes) and does not include group, home, and family based child day cares.

Data Source Organization: Oak Ridge National Laboratory
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::child-care-centers/about
Last Updated: 12/16/21

Colleges and Universities

This feature class/shapefile captures Colleges and Universities defined by the Integrated Post Secondary Education System (IPEDS).

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::colleges-and-universities/about
Last Updated: /20/22

EPA Facilities

This dataset represents Environmental Protection Agency (EPA) facilities.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::environmental-protection-agency-epa-facilities/about
Last Updated: 1/10/22

FBI Field Offices

This point data file represents the FBI Field Office locations in the United States and its territories.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::federal-bureau-of-investigation-fbi-field-office-fo-locations/about
Last Updated: 1/7/22

FDA Office Facilities
This dataset includes point locations of FDA offices in the United States, Puerto Rico, and the US Virgin Islands.

Data Source Organization: FDA
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::food-and-drug-administration-fda-office-facilities/about
Last Updated: 3/15/18

Fire Stations
This dataset contains point features representing building locations of fire stations in the United States, District of Columbia, Puerto Rico and the U.S. Virgin Islands.

Data Source Organization: US Geological Survey
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/fire-stations-1/about
Last Updated: 1/8/22

Governors Mansions
This dataset represents the locations of official residences of governors in the United States and its territories.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::governors-mansions/about
Last Updated: 5/18/18

Inventory of Owned and Leased Properties (IOLP) Buildings
The Inventory of Owned and Leased Properties (IOLP) allows users to search properties owned and leased by the General Services Administration (GSA) across the United States.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/documents/geoplatform::gsa-inventory-of-owned-and-leased-properties-iolp-buildings/about
Last Updated: 1/10/22

IRM Property Point
A generalized point, representing a single Formerly Used Defense Site (FUDS). The Department of Defense (DoD) is responsible for the environmental restoration (cleanup) of properties that were

formerly owned by, leased to or otherwise possessed by the United States and under the jurisdiction of the Secretary of Defense prior to October 1986.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::interim-risk-management-irm-property-point/about
Last Updated: 11/30/21

Local Emergency Operation Centers (EOC)
The physical location at which the coordination of information and resources to support domestic incident management activities normally takes place… This dataset contains these features as well. In cases where an Emergency Operations Center has a mobile unit, TechniGraphics captured the location of the mobile unit as a separate record. This record represents where the mobile unit is stored.

Data Source Organization: TechniGraphics, Inc.
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::local-emergency-operations-center-eoc/about
Last Updated: 4/11/18

Local Law Enforcement
This feature class/ shapefile contains law enforcement agencies as defined by the US Department of Justice - Bureau of Justice Statistics.

Data Source Organization: Oak Ridge National Laboratory
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::local-law-enforcement-locations/about
Last Updated: 2/2/21

Major State Gov Building
This dataset represents the locations of buildings or properties that are owned or leased by state level governments. It includes buildings occupied by the headquarters of cabinet level state government executive departments, legislative office buildings outside of the capitol building, offices and court rooms associated with the highest level of the judicial branch of the state government, and large multi-agency state office buildings.

Data Source Organization: TechniGraphics, Inc.
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::major-state-government-buildings/about
Updated: 1/19/21

Private Schools
This feature class/shapefile captures Private Schools defined by the Private School Survey (PSS)

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::private-schools/about

Last Updated: 11/12/20

Public Schools
This feature class/shapefile captures Public Schools defined by the Common Core Data (CCD).

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::public-schools/about
Last Updated: 12/16/21

State Capitol Building
This dataset contains point features representing buildings, commonly known as a State Capitol building, which typically contains the meeting place for a state's legislature. The location also frequently contains offices for the state's governor.

Data Source Organization: U.S. Geological Survey
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::state-capitol-buildings-1/about
Last Updated: 1/11/22

State Emergency Operation Centers (EOC)
An Emergency Operations Center (EOC) is the physical location at which the coordination of information and resources to support incident management

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::state-emergency-operations-centers-eoc/about
Last Updated: 1/8/22

Supplemental Colleges
This feature class/shapefile captures supplemental college locations (locations not recorded by NCES IPEDS data).

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::supplemental-colleges/about
7/28/20

Truck Driving Schools
This dataset is composed of any type of Post Secondary Education facility such as: colleges, universities, technical schools, or trade schools that provide training and certification in the field of professional truck driving.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)

Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::truck-driving-schools/about
Last Updated: 4/30/18

USACE Offices
This dataset represents locations of USACE District, Division and Laboratory offices. This dataset does not include field offices.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::us-army-corps-of-engineers-usace-offices/about
Last Updated: 8/20/22

Weather Radar Stations
These data represent Next-Generation Radar (NEXRAD) and Terminal Doppler Weather Radar (TDWR) stations within the US.

Data Source Organization: US Department of Homeland Security, Homeland Infrastructure Foundation-Level Data (HIFLD)
Data Source Link: https://hifld-geoplatform.opendata.arcgis.com/datasets/geoplatform::weather-radar-stations/about
